

SHAMPOOING THE *HISTORY* OUT OF YOUR CARPET

{ A Student Fundraiser benefitting
the Historic Langhorne Association }

Get your carpets and rugs cleaned...for a great cause!

The SteamTeam -- some kids from Council Rock South High School -- is raising funds to pay for restoring the Library's historic octagonal table. This beautiful century-old antique table came from the Curtis Publishing Company of Philadelphia, located on Independence Square. It's badly in need of a restoration job. And that's where we come in!

Call the SteamTeam today and we'll

- * Come to your home and office. Name the time and place!
- * Vacuum and shampoo your area rugs or entire room carpets
- * Bring our own equipment and cleaning supplies. You supply nothing! (except cash!)
- * Help move your furniture so we can get to those hard to reach spots
- * ...tell you about our favorite subject in school -- HISTORY!

Our Special Fund Raising Rates
